Stephen says, 'This year our church is celebrating its 375th Anniversary – On the 1st November it will be our Anniversary Sunday. A celebration service is being prepared with people connected with the church over the years invited to attend. The response has been very positive. This will be a time for us to look back and to celebrate God's faithfulness over so many years, but it is also a time for us to look forward as Jesus Christ continues to build His church. Pray that as a church we can face the challenge of "being church" in the changing/challenging culture of the 21st century.
